

VACANCY NOTICE
(No.07/2020)

Sub: Requirement of Electrical and S&T Engineers on Re-employment basis.

National Capital Region Transport Corporation (NCRTC) – a Joint Sector Company of Govt. of India and States of Delhi, Haryana, Rajasthan and U.P, under the administrative control of Ministry of Housing & Urban Affairs, is mandated for implementing the Regional Rapid Transit System (RRTS) in National Capital Region (NCR), ensuring a balanced and sustainable urban development through better connectivity and access. The RRTS will be a new, dedicated, high speed, high capacity, comfortable commuter service connecting regional nodes in NCR. It will provide reliable, high frequency, point to point and safe regional travel at high speed along dedicated path way for relatively longer distance with fewer stops and at higher speed.

The technology chosen would allow covering distances of 100 km. in an hour with scheduled stoppages. The system would also ensure the convenience of quality last mile connectivity, addressing the needs of all categories of travelers on the network. The corridors being developed under RRTS Phase-1 are Delhi - Meerut, Delhi - Panipat and Delhi - Alwar. Once operational, RRTS will be the fastest, the most comfortable and the safest mode of travel in the NCR.

To meet the requirement of experienced personnel, NCRTC invites applications from Electrical and S&T Engineers/ Supervisors, retired from Govt. departments/ PSUs/ Metro companies/ other Govt. instrumentalities. The detail of posts are as under:-
