The Journey so far...

A new transport system - Regional Rapid Transit System (RRTS)

- Rail-based, design speed of 180 kmph.
- Stations at a distance of 5 to 10 kms.
- Fast, comfortable and safe mode of commuter transport in National Capital Region (NCR).
- Connect the city centers with peripheral urban / sub-urban towns.
- Drive balanced and sustainable urban development in the region.

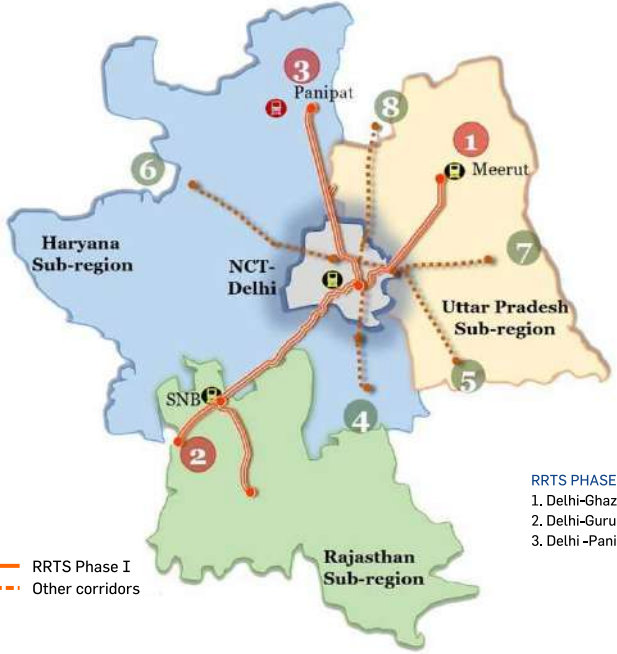

Year - 1998

A Study of Indian Railways identified possibility of RRTS network in National Capital Region (NCR).

- NCR area – approx. 55000 km^2 [1]
- GDP – $ 370 billion[2]
- Population – 46.1 crore[3]

1. as per NCRPB 2. as per 2017 figures 3. as per 2011 cens

Year - 2009

The Functional Plan on Transport for National Capital Region (NCR) 2032 prepared by National Capital Region Planning Board identified eight Regional Rapid Transit System (RRTS) corridors in NCR. Approved in 2009.

RRTS PHASE-I CORRIDORS

1. Delhi-Ghaziabad-Meerut – 82 km
2. Delhi-Gurugram-SNB-Alwar – 198 km
3. Delhi -Panipat – 103 km

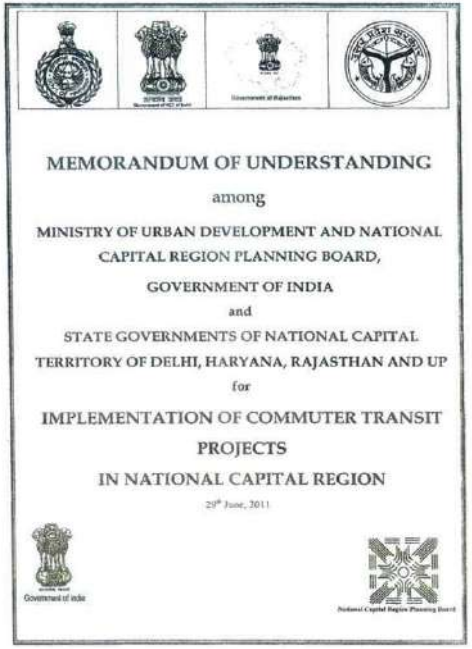

OTHER CORRIDORS

4. Delhi-Faridabad-Ballabhgarh-Palwal
5. Ghaziabad – Khurja
6. Delhi – Bahadurgarh – Rohtak
7. Ghaziabad – Hapur
8. Delhi – Shahdara – Baraut

THE ECONOMIC TIMES · Politics

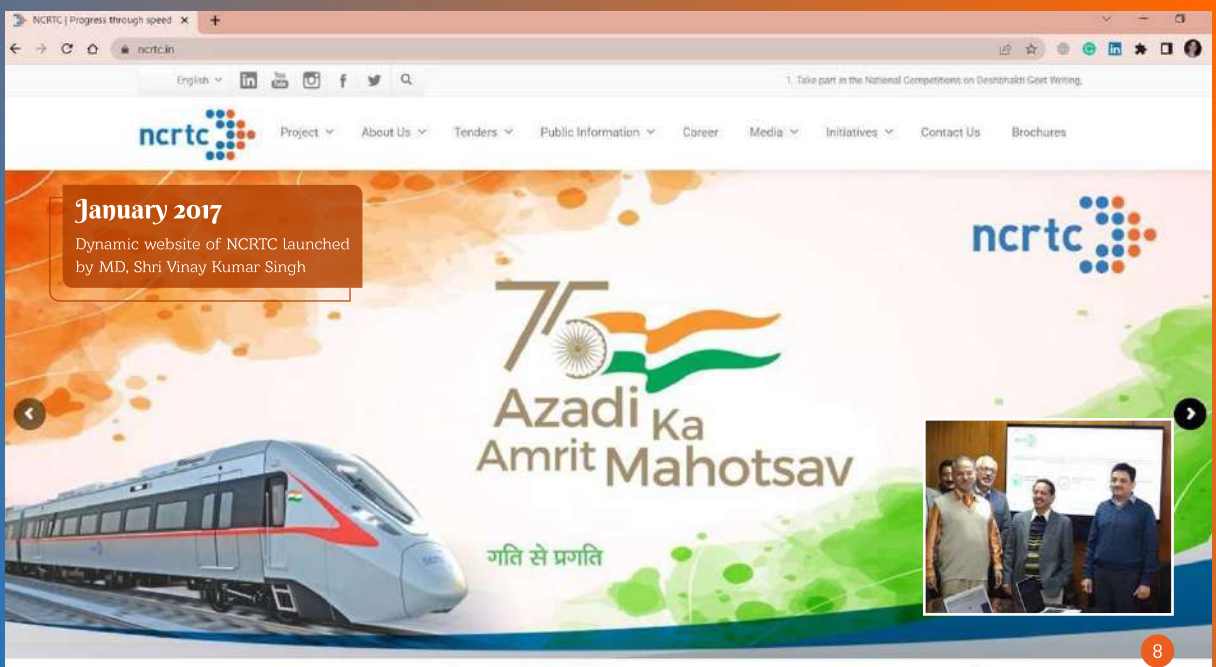

Railway officer Vinay Kumar Singh to head NCRTC

Synopsis

NEW DELHI: Railway officer Vinay Kumar Singh is learnt to have been chosen for appointment as Managing Director of the National Capital Region Transport Corporation (NCRTC), the implementing agency for the three corridors of the Regional Rapid Transit System (RRTS) in the NCR zone.

While about 30 senior officials in the government had shown interest for the post of MD of the newly-formed NCRTC, about 15 were interviewed by the search and selection committee for the job.

The committee comprises Urban Development Secretary, Railway Board Member (Staff), an official from the DoPT and an expert from World Bank amongst others.

Shalabh Goel

Shalabh Goel

Shalabh Goel assumes charge as NCRTC MD

Times News Network

New Delhi: Shalabh Goel on Tuesday assumed charge as the managing director of National Capital Region Transport Corporation (NCRTC), which is executing the Regional Rapid Transit System. Goel is a 1989 batch officer of Indian Railway Service of Electrical Engineers.

VK Singh had resigned on the ranking Director of NCRTC citing "personal reasons" on March 15. On April 8, Rakhi Narwani, joint secretary, ministry of housing and urban affairs, had assumed additional charge as managing director of NCRTC.

Goel has joined NCRTC at a very crucial juncture, when the organisation is poised to operationalise the entire 82-km long Delhi-Ghaziabad-Meerut RRTS corridor, a very complex and challenging project, within the scheduled timelines.

In a career spanning over three decades, Goel has held several challenging assignments such as executive director, ministry of railways, divisional railway manager (DRM), Moradabad division of Central Railway; chief electrical locomotive engineer, Central Railway; and SRDM, CVO (Western Railway). During his tenure as DRM, he played a pivotal role in managing train operations amidst the peak of the Covid-19 pandemic, ensuring the continuity of essential services and the safety of passengers and staff.

Just before joining NCRTC, Goel served as senior deputy general manager cum CVO of Western Railway. He is known for his hands-on approach to operations, electrification, electrical locomotive maintenance, energy management and general administration. His extensive experience includes postings under Central Railway, Northern Railway, Western Railway, ministry of railways, & Delhi Metro Rail Corporation (DMRC). Goel's exemplary service has been recognised with numerous accolades, including the prestigious minister of railways and general manager awards.

NCRTC is a joint undertaking of Centre, Delhi, Haryana, Rajasthan, and Uttar Pradesh, under the administrative control of ministry of housing. The Delhi-Ghaziabad-Meerut RRTS corridor is country's first inter-operable regional...
